

# INDUSTRIAL DRUM FANS

The Fanmaster Masterfan range of drum fans are high-quality floor fans, perfect for circulating air in a variety of settings, including offices, lunch rooms, cafes, warehouses, and factories. Available in two sizes, 600mm and 900mm, these fans deliver powerful airflow and are built to last. These fans are designed with wheels for easy mobility and feature an optimised design blade for soft, comfortable airflow. With three speed settings and an adjustable blowing angle of over 360 degrees, you can customise your cooling experience. Equipped with a thermal protector and closed guard, these fans are safe to use.
